Chairman's Address

PARISH YEAR 2024/25

This year we have recruited a new Councillor so we now have 6 out of a possible 7.

Also, this year we have Replaced the slide in the play area and put in the new goal end with funding from the National Lottery. We have also replaced the beam on the activity trail

We have contracted a new grasscutter for The Rec and the Play Area who will hopefully provide an improved service to these areas.

Thankyou to Elaine (Smith) for cutting the grass around the orchard and taking care of the defibrillator over the previous years

We have replaced the faulty light at the bus stop and we are on a programme to clear the overgrown allotments so they can be let out and reduce the waiting list.

Next year we will be looking at

replacing the defibrillator

Arranging for the large conifer to be reduced at the end of Gordon Road/play area

And continue to maintain The Rec, bus stop, Burgh Parva churchyard, allotments, Orchard, street lighting, defibrillator and play area

Lighting of the beacon on VE Day 80 is on 8th May, all welcome
